

# Long Island Sound Resilience Grant Writing Assistance Program Application

In order to apply for this funding opportunity applicants are required to submit answers to the below questions. We highly encourage succinct answers. If any information is unknown, we still encourage eligible applicants to apply. Applicants are required to provide information for all of the below sections with the exception of the sections labeled **Optional**. If you have any questions, please email to [LISresilience@gmail.com](mailto:LISresilience@gmail.com).

Email \*

TownofXXX@gmail.com

## Applicant Information

Name of applicant organization or municipality \*

Town of XXX

Address of applicant \*

100 Smith Street, Town of XXX, NY

Point of contact: Name, Organization, Mailing address, E-mail address \*

John Smith, Town of XXX, 100 Smith Street, Town of XXX, NY, TownofXXX@gmail.com

## Grant Preparation & Writing Support - Needs & Funding Request

Identify the preferred grant preparation and writing support consultant to work with. *See a list of <sup>\*</sup> potential [contractors](#).*

Long Island Sound Resilient Solutions, LLC. (Example consultant name - if you need help identifying a consultant review the linked list of potential contractors.)

Describe the kinds of support activities that are needed through this program – e.g. budget preparation, cost-benefit analysis, writing and narrative development, mapping, etc. <sup>\*</sup>

Budget preparation, writing and narrative development, mapping.

Include a budget and a budget justification (i.e. a quote outlining number of consultant hours and hourly rate). If you have an official quote please email to [LISresilience@gmail.com](mailto:LISresilience@gmail.com). <sup>\*</sup>

Long Island Sound Resilient Solutions, LLC. has quoted the grant preparation and writing support services at \$100/hour for 99 hours of work. An official quote will be emailed to [lisresilience@gmail.com](mailto:lisresilience@gmail.com).

## Funding Opportunity

See a list of [current and upcoming funding opportunities](#)

Identify the targeted funding opportunity for which the applicant desires grant preparation and writing support (Name, Funding Entity/Organization, funding opportunity deadline(s)). *Please select one for the development of a Purchase order with selected consultant.* <sup>\*</sup>

Long Island Sound Futures Fund (Example funding opportunity - review the linked list of current and upcoming funding opportunities for the best fit for your project).

Identify who will receive the funds from the targeted funding opportunity \*

Town of XXX

## Project Description

Project location (State & Municipality/Indigenous or Native Peoples/Community) \*

Enter specific address or coordinates of project location(s).

Describe how the project will advance sustainability and resilience in a community(ies) within or partially within the Long Island Sound Coastal boundary and address environmental justice concerns \*

The Town of XXX would like to secure funding to restore the wetland at the above project location. The wetland restoration project benefits include improved habitat for native wildlife within the Long Island Sound and increased ability of the wetland to reduce wave action along the shoreline of Town of XXX. The restored wetland will continue to protect the neighborhood and businesses along the shoreline and provide an opportunity for education about nature-based solutions with the local community members.

Identify the Project Type (Planning, Design, or Implementation) and associated activities or desired outcomes for which funding is needed \*

Town of XXX completed an engineering design of the wetland restoration project in 2021. The Town would like to apply for funding for implementation of the restoration project.

List Project Team, including lead applicant and any co-applicants \*

Town of XXX (lead applicant)

Describe any community or stakeholder engagement to date regarding this project (especially important for Design or Implementation projects) **(Optional)**

The Town has held multiple community meetings to develop the engineering design of the project and there is support from the community members for this project to go forward.  
(Any relevant information is accepted, but not necessary.)

Describe any relevant grant application history **(Optional)**

Any relevant information is accepted, but not necessary.

Please include any other relevant supporting information below. If you have documents to attach please email to [LISresilience@gmail.com](mailto:LISresilience@gmail.com) **(Optional)**

Any relevant information is accepted, but not necessary.
